Crusader Café Lunch Account:

Each student will have a cafeteria account that must be accessed via a unique PIN per student when purchasing items in the cafeteria. You can choose to pay cash for every day purchases or utilize a declining balance account. To avoid long lines you can prepay on your student's account by using www.mypaymentsplus.com or bring *cash* or a *check* (made payable to **MMI Dining Systems**) to the cafeteria. You can access your student's lunch account on the website mentioned by using the *Student ID Number* provided from dining services. **The PIN will be for cafeteria use only.**

CHARGING WILL NOT BE ALLOWED IF A STUDENT HAS CHARGED UP TO \$10.00.

We encourage students to add funds to their accounts when they reach a low balance.

Menus and Pricing:

Monthly menus are created by age group. Cafeteria information, a monthly menu and pricing will be available to view on the school website.

We do not offer a meal plan, but we have a great selection of value meal deals offered daily.
