In order to enroll in an honors course, a DE course, or AP course in any subject, a student must fulfill the following requirements:

- A grade of 80+ in a current honors course or a grade of 95+ in a regular course
- A recommendation from a current teacher in that subject area (These will be collected by the guidance department)
- Standardized tests of each student along with the student's work ethics will be considered when making a final determination of acceptance to honors classes
- Administrative Approval

Please complete the information above. You will sign up for the honors class on the course selection sheet that will be distributed in English classes. In order to be considered for honors classes, you must attach a copy of your first semester report card and a copy of your most recent progress report for each subject for which you are considering to this form. These forms can be found on Edline. You will attach this form along with grades to your course selection sheet during your scheduled English class session.

**Parents:** Your child is requesting permission to take honors, DE, or AP classes at FACS. In order for your child to be considered, you must sign below acknowledging that you understand that these courses are rigorous and will require extra work and time to complete. Honors classes are structured to move quickly and cover more material than a regular class. Please consider carefully your child and his/her abilities. Honors students must be conscientious, hard-working, determined, focused and critical thinkers. This form must be returned with the first semester report card and current progress reports, which can be found on Edline. Please note that AP classes require extra fees for testing and that DE classes require an enrollment fee. In addition, students in DE classes are required to purchase their own textbooks.

**Parents and Students:** By signing below you are agreeing to the rigor of an honors or college level class.
