Dear Parents and Student,

I am pleased to inform you of a camp we are offering this summer. The Shurley Method English Camp will introduce and reinforce the grammar curriculum your child will be doing this school year. This method has been used successfully with students of all ability levels and has proven itself effective in schools where traditional programs have failed. Not only do students finally **learn** grammar and writing techniques, but they actually **enjoy** the process.

The Shurley Method teaches the solid foundation of grammar in a new and exciting way. Students use rhythm and a set of specific questions to classify sentences orally, identifying each sentence part as well as the overall sentence structure. They learn how all sentence parts fit together to make sense and express an idea. They learn how to expand, improve, and edit their writing. The students then learn how to express their own ideas through formal and creative writing. Get ready for a year of learning!

Sincerely yours,

*Mrs. Downing*
