2 Peter 1:5-7 For this very reason, make every effort to supplement your faith with virtue, and virtue with knowledge, and knowledge with self-control, and self-control with steadfastness, and steadfastness with godliness, and godliness with brotherly affection, and brotherly affection with love.

Juniors should begin their college search now, narrowing down between 7-10 schools. 1-2 dream schools, 3-4 safe and probable choices, and 1-2 safety net schools.

1. Do you want to stay close to home?
2. What do you plan to major in?
3. What can you afford?
4. Do your current grades qualify you for merit scholarships, and if so how much?
5. Are you on track to receive the Hope Scholarship?
6. Have you registered for the ACT?
7. Which schools on your list take a superscore?
8. What are your extra curricular activities? Are you actively involved in community service?

Juniors will be using Naviance this year to research colleges and scholarships, take personal and career assessments, and create a resume. Starting in November, Mrs. Smeltser will be meeting with each junior individually to discuss the results of the assessments and to take a look at college choices. In addition, the process for researching scholarships will be introduced.
